ABOUT US

With a history in furniture manufacturing, we bring great expertise to the production of diverse furniture types and models tailored to meet the unique demands of various markets and our customers' distinct preferences. At In House, we take pride in delivering superior products and innovative designs, paying meticulous attention to the details.

What sets us apart is our factory's remarkable flexibility, allowing us to cater to projects of all sizes – from cozy villas and homes to massive endeavors like supplying international hotels and large administrative buildings. We prioritize long-term customer satisfaction, committing to post-sales services, renewal, and repair to ensure our clients receive ongoing support.

OUR BRANDS

OUR GOAL

Our mission is to redefine furniture manufacturing. We aim to create not just furniture but pieces of art that reflect our commitment to quality, and innovation. We aspire to be a catalyst for elevating KSA to world-class standards. Our mission is powered by a strategic focus on increasing manufacturing power and leveraging cutting-edge technology.

Certificate No.:**160124019607**
Accreditation No.:**51901390123**

MISSION

At In House, our primary goal is to elevate spaces with the finest furniture creations. We aim to bring this excellence directly to our customers, wherever they are, at competitive prices driven by our belief in understanding and studying the requirements of each client. We achieve this by employing the latest manufacturing methods and providing great services, positioning ourselves as leaders in the production of furniture.
